

JOB POSTING

Digital Print Operator/Assistant (Regular Full-Time Afternoon/Evenings)

Light Visions Ltd. is the wide format printing division of The Prolific Group, comprised of a team of dedicated individuals who take pride in all the work they do. Not only does wide format printing require highly specialized, capital intensive equipment, it also needs experts with creative design skills, technical knowledge, and the attention to detail necessary to deliver an impeccable finished product. Light Visions is one of the largest and most technologically advanced wide format printing companies in Western Canada and serves clients throughout Canada and the USA.

We are looking for a **full time Digital Print Operator/Assistant** to join our **afternoon/evening production team**.

This position is responsible for a variety of duties to contribute to the efficient operation of the company including:

- Printing rigid and roll to roll materials.
- Operate computer controlled cutting equipment
- Gather and stage print media with forklifts and pallet jacks.
- Work closely with Sales staff and internal production staff
- The ability to monitor and follow jobs to completion to ensure the timely delivery of a quality product

We are looking for a professional that is well spoken, friendly, organized, analytical, and able to multi-task, who shows attention to detail and understand the importance of a deadline. Print shop experience and the ability to work overtime with short notice on occasion are considered an asset.

Job Types: Full-time, Permanent, Afternoon/Evening Shift

Interested candidates are invited to send their resume to hr@prolific.ca
